

Radio communication specialists

Maxon SL25 hand portable

- Meets military standards
- Simple operation
- Full scanning
- Rugged construction
- PC programmable CTCSS/DCS
- Moulded polycarbonate case
- Wide range of accessories

With the Maxon guarantee of quality, performance and reliability.

The SL25 is the simple, low-cost solution to your communication needs.

A compact, robust radio in a moulded polycarbonate case, the SL25 meets demanding military standards. It's easy to operate in any environment: shop, warehouse or open air, with dust and water spray protection. Its high-capacity rechargeable battery pack gives good operational range and extended performance.

The **SL25** offers 8 channels, flexible PC programming and CTCSS/DCS.
